03 WHAT'S NOT ALLOWED

PROTECT THE CHALLENGE

IPI Black is live during this campaign. Leaks hurt every competitor, and we end up having to pull scenarios. Do any of the things below and you won't be able to claim your reward and we’ll ask you to remove it.

- ☒ Don't post false or misleading info about Gray Swan.
- ☒ Don't show or describe the specifics of IPI Black prompts or scenarios.
- ☒ Don't show or describe the specifics of your breaks, or what did and didn't work.
- ☒ Don't show or describe specific prompts or model responses.

04 QUALITY BAR

WHAT GOOD LOOKS LIKE

Some tips to make sure your post is well-recieved.

VISUALLY CLEAR
Sharp, well-lit photo or video. Easy to see what's going on.

AUDIBLY CLEAR
If you talk, we can understand you. Clear audio, minimal background noise.

PLATFORM APPROPRIATE
Clean language, no profanity in the post, caption, or audio. Nothing you wouldn't want next to your name.

FAIR AND AUTHENTIC
Your honest take, in your own voice. Critical feedback is welcome. Posts made to bash Gray Swan or the team won't qualify.

05 INSPIRATION

NOT SURE WHAT TO POST?

A few approved prompts to inspire you:

Explain what Gray Swan Arena is in your own words, and why someone else should try it.

What is IPI Black, and how it's going so far?

A reaction video as you work through the challenge and land breaks.

The mindset or skills that helped you get your first break.
